The construction of various construction improvements, including but not limited to:

- 1) 2400 SF Maintenance/Mechanical Building including building and associated improvements, all equipment, all appurtenances, and related construction.*
- 2) 3500 SF of reinforced heavy-duty concrete addition around filter press area, including washing station and associated improvements, all appurtenances, and related construction.*
- 3) Site Landscape Improvements.*
- 4) Miscellaneous Improvements within the WWTP site and existing Donna High School lift station.*

The project shall be a complete and operational system capable of providing the functions intended. Plans, proposal forms, specifications, and contract documents may be viewed at the office of NAWSC located on 420 S. Doolittle Road Edinburg, Texas during normal business days or may be obtained by interested parties by contacting Rio Delta Engineering at 921 S. 10th Ave., Edinburg, Texas 78539 or by calling (956) 380-5152. Requests by facsimile can be made to (956) 380-5083.

Copies of the plans and specifications may be examined without charge at the following locations:

**North Alamo WSC
420 S. Doolittle Road
Edinburg, Texas 78539**

**Rio Delta Engineering
921 S. 10th Avenue
Edinburg, Texas 78539**

A pre-bid conference for the project will be held at **3:00 p.m., Wednesday, May 1, 2019** at the office of NAWSC located on 420 S. Doolittle Road Edinburg, Texas. **All prospective bidders are encouraged to attend.**

North Alamo Water Supply Corporation reserves the right to accept or reject bids submitted; waive formalities in bidding; accept bid deemed most advantageous to the Corporation; and to hold the bids for a period of sixty (60) calendar days without taking action.

If the contract amount is over twenty-five thousand dollars (\$25,000.00) for construction of the project, the successful bidder shall provide a bid guarantee, give a good and sufficient bond in the full amount of the contract price for the faithful performance of such contract, executed by a surety company authorized to do business in the State of Texas, in accordance with Article 5160, Vernon's Texas Civil Statutes, and amendments thereto. A payment bond in the full amount of the contract price to assure payment shall be required by law of all persons supplying labor and material in the execution of the project provided for in the contract documents.

A bid guarantee equivalent of five percent (5%) of the bid price will be required from each bidder. The "bid guarantee" shall consist of a firm commitment, such as a bid bond, certified check or other negotiable instrument accompanying a bid as assurance that the bidder will upon acceptance of his/her bid, execute such contractual documents as may be required within the time specified.

A performance bond on the part of the contractor for one hundred percent (100%) of the contract price will be required. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

A payment bond on the part of the contractor for one hundred percent (100%) of the contract price will be required. A "payment bond" is one executed in connection with a contract to assure payment, as required by law, of all persons supplying labor and material in execution of the work provided for in the contract documents.

Bidders are expressly advised to review the contract documents fully and insurance requirements of the proposed contract as to their legal requirements and the causes which may lead to the disqualification of a bidder and/or rejection of a bid proposal. No bid may be withdrawn within a period of sixty (60) days after the dated fixed for opening the bids. Unless all bids are rejected, the Owner will give Notice of Award of Contract to the successful bidder as soon as possible consistent with the time for thorough analysis of bids submitted. Bidders are expected to inspect the site of work and to inform themselves regarding all local conditions which may affect their bid.

Conditional bids will not be accepted. Bids sent via facsimile shall not be accepted. Bids shall be sealed and prominently marked on the lower left hand corner of bid envelope with the project title.

This contract is contingent upon release of funds from the Texas Water Development Board.

- Any contract or contracts awarded under this Invitation for Bids are expected to be funded in part by a loan from the Texas Water Development Board. Neither the State of Texas nor any of its departments, agencies, or employees are or will be a party to this Invitation for Bids or any resulting contract.
- Equal Opportunity in Employment - All qualified Applicants will receive consideration for employment without regard to race, color, religion, sex, age, handicap or national origin. Bidders on this

work will be required to comply with the President's Executive Order No. 11246, as amended by Executive Order 11375, and as supplemented in Department of Labor regulations 41 CFR Part 60.

Any contract(s) awarded under this Invitation for Bids is/are subject to the United States Iron and Steel (US I&S) requirements of Texas Water Code §17.183 and/or Texas Government Code, Chapter 2252, Subchapter F, as amended by SB 1289, 85th Legislative Session, as applicable.
